

General Briefing

Welcome Everyone and thanks for supporting our trial !

Approximate Times: Measuring @ 7:30, General In Person Briefing @ 7:45, First Walk Thru @ 7:50, First Dog on the Line @ 8:00

Please pick up after yourself and your dog

Please be on time for your volunteer job

Please ensure your dog is on leash prior to leaving the ring/catch area

Your dog must be on leash at all times on except when in the ring and when using the off leash field

Only dogs with a suitable recall and temperament are to be off leash in the off leash field, all others are to be walked on leash

This is a non-smoking property

Please do not lean on the fence

There will be a table outside the garage area where you will find Results, the Title log (please record any titles and First Q's!)

Move ups: please record your move up request and locate Eva a.s.a.p. for this also

The shed where the timer display is located is off limits

Ring Crew: if you are assigned ring crew duties, this includes course building. If your ring crew assignment is for a course where tunnels are moved PLEASE help move the tunnel bags. Peck Meadow tunnels are fully bagged and we ask that you help with this.

Please don't ask ring crew, timer and scribes to record your runs for you

No crating under the canopies

Bring everything you need for a day in the great outdoors

And most of all, have a super fun day and be nice to your dog 😊

End of day Sunday: if you are able to stick around and help put tunnels and bags away in the shed, we appreciate that so much !

Ribbons and Top Dog Awards will be handed out after we have the tunnels and bags put away

Wishing you a wonderful day of trialling at Peck Meadow DogSport Field !
