Welcome to Snookerpalooza !

General Briefing

Please pick up after your dog and yourself.

Please be on time for your volunteer jobs.

In and out of the building for your runs and for dog measuring -> please come in through the main door and out through the back exit of the building; no exceptions.

No crating indoors.

The next dog in line can be inside the building when there is a dog in the ring, no other dogs permitted.

Snooker can be a fickle game, so please pay attention to the Running Order and listen for the Gatekeeper to call your dog's name.

Please help put the UDSC's trial equipment away at the end of the day, we will advise of those details at the trial.

After the UDSC equipment is put away, we will hand out Ribbons and Awards !
